

# *Worship..... With Love*

The love of God is that which leads Him to \_\_\_\_\_ Himself in terms of \_\_\_\_\_ toward His creatures, and actively to manifest that interest and affection in acts of \_\_\_\_\_ in behalf of the objects of His love.

(International Standard Bible Encyclopedia)

God's love is that perfection of the divine nature by which God is \_\_\_\_\_ to communicate Himself. It is not a mere emotional impulse, but a \_\_\_\_\_ and \_\_\_\_\_, having its ground in truth and holiness and its exercise in free choice.

(Thiessen, Lectures in Systematic Theology)
