WHY DO I NEED TO KNOW?

- **Understanding God's Word will clarify interpretation of many passages**
- **Having faith that God will keep His covenant with Israel strengthens our faith for today**
- **False prophets and anti-Christes will arise, knowing the truth will give discernment**
- **a Biblical worldview gives understanding to the circumstances of the world, which leads to peace**
- **Knowing that Rapture is imminent and there are signs of the End Times should urge us to share the gospel**

Russia still working on 'historic' meeting with Turkey, Iran and Syria - analysis

Turkey-Russia ties are very important and Ankara would like to find a way to meet with Damascus without angering the Syrian rebels too much.

Russia would like to bring together Turkey, Syria and Iran in some kind of a historic meeting.

This could be a step towards normalization between Syria and Turkey. Turkey and Russia have been working on energy talks and Turkey has acquired the S-400 from Russia, but for Russia, a shift in Turkey's policies in Syria would be a major game changer. Turkey is a member of NATO but has worked to block Sweden and Finland from joining NATO, which potentially helps Russia.

"The timeframe for a meeting of the foreign ministers of Russia, Syria and Turkey has not been negotiated yet, but consultations on this issue continue," Mikhail Bogdanov, Russian deputy foreign minister and Special Presidential Representative for the Middle East and Africa, said, as per Russia's state media TASS.
