# Who is God?

- #1. We must acknowledge the existence of God.
  - “For those who are correctly evaluating the evidence, EVERYTHING in Scripture and everything in nature proves clearly that God exists and that He is the powerful and wise creator that Scripture describes Him to be. Therefore when we believe that God exists, we are basing our belief not on some blind hope apart from any evidence but on an overwhelming amount of reliable evidence from God’s words and God’s works.”
