

## IS THERE A BEHEMOTH IN YOUR LIFE? Job 40:1-24

Hebrew: BEHEMOTH - beast, wild beast, wild animal; Job 40:15-24 – a mighty, unconquerable animal

Genesis 1 - God made all of His creation in 6 days.

Dinosaurs and man were on the earth at the same time!

A scientific case for creation:

1. Evolution has never been observed.
2. Research shows that the requirements for life are so complex that chance and even billions of years cannot explain it.
3. The seemingly impossible events of the flood are quite plausible if examined closely.

*The Remarkable Record Of Job* by Dr. Henry Morris

“Modern Bible scholars, for the most part, have become so conditioned to think in terms of the long ages of evolutionary geology that it never occurs to them that mankind once lived in the same world with the great animals that are now found only as fossils.”

### **D is for Dinosaur! By Buddy Davis**

When dinosaurs first roamed the earth many years ago  
People called them dragons  
Just thought you'd like to know  
So dinosaurs and dragons are both the same thing  
The only thing that's different is we changed the dragon's name!

Chorus:

D is for Dinosaur but it's a brand new word  
Invented in 1841 means terrible lizard  
Spelled D I N O S A U R  
Sir Richard Owen thought it up  
D is for Dinosaur!

They're mentioned in the Bible where we can learn of them  
Job called one Behemoth and one Leviathan  
They were created on day 6 with Adam and Eve  
Dinosaurs were dragons and that's what I believe  
chorus

Most fossils are found in rocks, made of sand and mud  
That's what we would expect if there was a worldwide flood  
So dinosaurs went in the ark and when they went out the door  
Noah called them dragons then but now it's dinosaur

**Biblical Creation** A QUICK RECAP OF WHAT WE BELIEVE HERE June 9, 2024 We are a community of Bible believers who have come together to present facts that validate the Bible as true.

1. There are billions of dead things in rock layers all around the globe. This is the result of a global flood because we know it takes water to fossilize.
2. Biblical archaeology confirms the Bible in every area.
3. Jesus spoke of the beginning and in the beginning God created them male and female. ( He knows since He was there) -Let US make man-
4. DNA. There is NO WAY it can form by chance. Life has never been observed forming in nature. Evolution is a belief and a religion.
5. Our bodies are clearly designed. ( Even Richard Dawkins says life appears designed but he won't admit it was. He would rather invoke the alien theory because atleast that would keep him from answering to his Creator.)
6. Nature is clearly designed, as we have shown examples that could absolutely NOT be the result of chance, ex. The portrait frog that scares it's opponents by showing it's backside which resembles a rat. How did the frog know to do this? How did the frog know that was on it's back?!
7. Chances of life evolving AFTER the planet "evolved" with just the right location, size, atmosphere etc, is basically zero.
8. Overwhelming proof of the Exodus and the Israelites in Egypt and evidence they crossed the Sinai as we can see inscriptions recalling the exodus from Egypt.
9. Evidence of Noah's ark which seems to be on the lower slopes of Ararat. Some debate this. Anchor stones scattered throughout the area near a small town in Turkey which have 8 crosses seem to be the anchor stones which acted as stabilizers for the ark. Petrified wood also found ( with no tree rings) ,there were no seasons until the flood.
10. Science that man only knew thousands of years later was predicted in the Bible ( spoken by God who created science). Ex. Cleansing and washing to avoid bacteria and infection, and limitless stars in the sky before astronomers knew there were. Man made up of the elements of the Earth ( God created man from the dust of the Earth).
11. Life appears fully formed in the fossil record and remains unchanged after "million" of years. There is no evolution! If anything, creatures were more advanced then and de-evolved over time. Genetic information (brand new information) does not increase from one generation to the next, no mechanism is known to do this.
12. God created in six literal days. The Hebrew word for day was "Yom". In over 300 other uses of the word it was always referring to a literal 24 hour day.
13. God did not use millions of years of evolution since it goes against His nature. After God created He said His creation was good. There is nothing good about suffering and death brought about by survival of the fittest evolution. Death and suffering came as a result of the fall of man after being banished from the Garden of Eden

## IS THERE A BEHEMOTH IN YOUR LIFE?

The most important thing about us is: What we think about God

The next most important thing is: How we respond to God

What have we learned from Job's life and God's lessons?

1. God will allow suffering in our lives.
2. God hears us and knows our hearts.
3. God waits to do His work in our lives at the right time.
4. God communicates personally to us through His word.
5. We must learn to listen to what the Lord says to us, even if it isn't what we expect.
6. God emphasized his character to Job.
7. God emphasized that He can handle everything He created.

What do we need to remember when facing our Behemoths?

God is God and we are not! **Isaiah 45:5-6** <sup>5</sup> I am the LORD, and there is no other; There is no God besides Me. I will gird you, though you have not known Me, <sup>6</sup> That they may know from the rising of the sun to its setting That there is none besides Me. I am the LORD, and there is no other

Nothing is too difficult for God. **Jeremiah 32:17** Ah, Lord God! You Yourself made the heavens and earth by Your great power and with Your outstretched arm. Nothing is too difficult for You!

God is near to the brokenhearted. **Psalms 147:3** He heals the brokenhearted and binds up their wounds.

God hears our prayers. **1 John 5:14** Now this is the confidence we have before Him: whenever we ask anything according to His will, He hears us.

God answers our prayers. **1 John 5:15** And if we know that He hears whatever we ask, we know that we have what we have asked Him for.

God is wise. **1 Timothy 1:17** Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever. Amen.

God is good. **Psalms 109:21** But you, O Sovereign LORD, deal well with me for your name's sake; out of the goodness of your love, deliver me.

God is always right! **Job 34:10** Therefore listen to me, you men of understanding. It is impossible for God to do wrong, and for the Almighty to act unjustly.

God is always at work. **John 5:17** Jesus said to them, "My Father is always at his work to this very day, and I, too, am working."

God's ultimate plan is to transform us into the image of His Son. **2 Corinthians 3:18** We all, with unveiled faces, are reflecting the glory of the Lord and are being transformed into the same image from glory to glory

God loves each one of us. **1 John 4:19** We love Him because He first loved us.

God wants us to depend on Him and be in relationship to Him. **John 15:4** Abide in me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in me.

God has given us His Holy Spirit to keep us and counsel us and emppower us to do His will. **Ephesians 1:13** In Him you also, when you heard the word of truth, the gospel of your salvation, and believed in Him, were sealed with the promised Holy Spirit

When everything around us is painful and hard and overwhelming, the acknowledge that God is God. **2 Corinthians 4:7** But we have this treasure in earthen vessels, that the excellence of the power may be of God and not of us

We don't have all the answers. **Job 38:2** "Who is this that questions my wisdom with such ignorant words?

God does allow us to experience pain, grief, suffering; escape from trials is not the ultimate goal. **2 Corinthians 4:17** For our momentary light affliction is producing for us an absolutely incomparable eternal weight of glory.

If God is allowing you to go through something horrible, He will bring about His good work through it if you respond in submission and humble obedience and trust. **Philippians 1:6** being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ

There may be perspectives and behaviors that God wants to change in you. **Hebrews 12:1** Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us.
